

The Texas Mile and U.S. Mile (The Colorado Mile) No Refund Policy:

The Texas Mile and U.S. Mile (The Colorado Mile) registration fee and other purchases made during registration (such as T-shirts) is non-refundable and non-transferable for any reason. Due to the many investments that go into planning The Mile and any future 1/2 Mile events, there will be no refunds or transfers for participant entry fees and purchases for participant cancellation, no-shows or event cancellation including but not limited to cancellation due to weather. The event may not be rescheduled. As with any racing events, the money invested in making the event happen is spent regardless if zero runs are made or 1000 runs are made.

In the event of bad weather, we will stop runs for a period of time to wait for the weather to pass, just like we have done at previous events. Our goal is to provide our participants with the most runs possible. We apologize for any inconvenience that the no refunds policy might cause you.
