

Texas Mile - Spectator Info

Welcome Texas Mile Spectator

By entering Goliad Industrial Air Park, I demonstrate my acknowledgement that I have read the spectator instructions. I will abide by each rule, verbal and written. Part of the staff is the Christian Motorcycle Association & Local Law Enforcement serving as paddock & boundary marshals.

1. **Fee for three day pass:** \$10 per person non-Goliad County resident/ \$5 per person with proof of residency in Goliad County. Children 12 and under are free.
2. **Wrist Bands:** You must wear your wrist band on your left or right wrist. It is good for all three days, so make sure you still have it on for other days or you will have to pay again.
3. **Parking:** Please follow the directions given by staff. Cars and motorcycles can park in the grass behind the participant pit spaces and use the grass path to get to parking spots. Please do not block-in cars, motorcycles or trailers Do not block the “grass road” that is traveling behind the participant pit spaces. We will be monitoring the congestion in the paddock area. Our intentions are to allow motorcycles to use the paved paddock road to find a space to park their motorcycles. However, if we find limited space left, we will have motorcycles follow the same path and parking as cars.
4. **NO PARKING** in the grass next to the paddock road.
5. **Driving on the paved paddock road** is not allowed for spectators. You cannot use your motorcycle or car to “cruise” the paddock. This is for participants traveling to & from pits.

7. **Viewing areas:** You can find a spot on the pit side of the paddock to set-up chairs. Just ask the participants in the area what would be a space that would not block them. There are often spots in the grass behind the pits that are good viewing area if you are in a pick-up and can sit in the bed of the truck.
